For women living in the city, the line between business and personal life often blurs and fashion becomes essential for moving from a daytime decorum into elegant evening wear. Looking stylish is necessary to command attention while walking among the towering skyscrapers and the intertwined streets of any concrete jungle; however, fashion must also be functional and affordable for anyone living in a major metropolis. For the past 19 years Anthony's undeniable energy and zest for urban design with a comfortable flair has resulted in stunning clothing full of diversity, vibrant colors, and an insatiable display of texture ideal for the on-the-go woman.

Anthony Mark studied fashion design at the Pratt Institute of Design in New York City and the prestigious Ecole de la Chambre Syndicale de la Couture Parisienne in Paris, France. He has worked at the great design houses of Yves Saint Laurent, Willi Smith and Adrienne Vittadini and all of his 'Anthony Design Originals' styles are conceived out of his Los Angeles California Studio.

Since the early 90's his exclusive collection of dresses and detailed separates have been sold in specialty department stores and boutiques across the nation. Anthony also designs an exclusive line of career separates for the Home Shopping Network where he is considered a fashion authority.
