The only thing more exhilarating than being outside in the sunshine, breathing in the fresh air is wearing the hottest summer styles while doing it. Featured in this mailer is the latest Anthony collection which highlights easy living and comfortable fashions for every woman. Each design comes in petite, average, missy and plus size for a flattering addition to any wardrobe. Take a long stroll through a garden paradise this season and soak up the sun while looking fabulous!

Anthony Mark Hankins was born to be a designer. At the early age of 7 he showed his inherent talent when he made a suit for his Mother, which she proudly wore to church. Since that time Anthony has studied fashion design at the Pratt Institute of Design in New York City and the prestigious Ecole de la Chambre Syndicale de la Couture Parisienne in Paris, France - the city of artists. He has also worked at the great design houses of Yves Saint Laurent, Willi Smith and Adrienne Vittadini.

In the early 90's Anthony opened his own design studio, "Anthony Design Originals." His exclusive couture collection of dresses and detailed separates are sold in specialty department stores and boutiques nationwide. Anthony also designs a line of career separates for the Home Shopping Network.
