There is nothing more inspiring than springtime in Paris. As a designer Anthony especially loves this time of year when the streets are filled with fresh flowers, sunshine and high fashions. Featured in this mailer is a sampling of his new collection, which is a reflection of this fashion forward city. It brings the latest French couture styles to you, the American woman, at an affordable price.

Anthony Mark Hankins was born to be a designer. At the early age of 7 he showed his inherent talent when he made a suit for his Mother, which she proudly wore to church. Since that time Anthony has studied fashion design at the Pratt Institute of Design in New York City and the prestigious Ecole de la Chambre Syndicale de la Couture Parisienne in Paris, France - the city of artists. He has also worked at the great design houses of Yves Saint Laurent, Willi Smith and Adrienne Vittadini.

In the early 90's Anthony opened his own design studio; "Anthony Design Originals." His exclusive couture collection of dresses and detailed separates are sold in specialty department stores and boutiques nationwide. Anthony also designs a line of career separates for the Home Shopping Network.
