The next stop on my World Expedition tour will take you on a hunt for the summer's hottest safari-inspired clothing. It can be a fashion jungle out there, but I'm here to make sure you're dressed appropriately.

For the adventurous women, this collection is full of bright floral patterns, rich colors reflective of native hues and hints of tribal heritage. These sizzling summer looks will leave you looking wild and individual without losing the comfort and easy care you expect from an Antthony outfit.

Thank you for shopping Antthony on HSN, and remember you can always shop 24/7 online at www.AntthonyOriginals.com. All of these designs come in petite, missy and women's sizes, so there is something here for everyone.

Be sure to tune-in to HSN on Sunday, July 19th at 2am, 3am, 2pm, 3pm or 8pm EST and Monday July 20th at 10am EST when I will share my best safari looks for the season. I look forward to sharing my designs during the live premiere of the Antthony Safari Sizzle World Expedition Fashion Collection!
